Question:

Which of the following statements do you agree with? Please give specific reasons for your opinion. Some believe that TV programs have a positive influence on modern society. Others, however, think that the influence of TV programs is negative.

1、答题要领:

- (1)specifically express your stand.
- (2)ideally include 2 reasons for your answer.

2、观点提示:

(1) positive

1) broaden people's horizons. People watch what is happening all over the world with their own eyes instead of actually going there. People have much more knowledge of the latest news around the globe.

2) more entertainment. Television provides us with various forms of entertainment, which helps release the stress and pressure that people are undergoing in the modern society.

(2) negative

1) a waste of time. Some people sit in front of the TV all day but don't remember anything after they watch it because they don't pay attention at all. This is a passive way of receiving information.

2) bad for interpersonal skills. Watching too much TV creates loneliness. People spend less time in face-to-face communication with their family and friends because of this.

Some people believe that the high school should teach music and art as other basic science. Some people think that providing music and art education for high school students is not necessary. What is your opinion and why?

1、答题要领:

(1)specifically express your stand.

(2)ideally include 2 reasons for your answer.

2、观点提示:

(1) necessary

1) Students need all kinds of knowledge to really understand the world. Music and art are just as important as other subjects in terms of the development of human society.

2) Music and art are different from basic science such as physics and mathematics in the way you study, so it is good for students to change their thinking pattern once in a while.

(2) not necessary

1) Music and art are more about subjective appreciation. There is no necessary to bring them up in the classroom and teach students how to appreciate them. They can learn music and art on their own.

2) more pressure on students. Students already have limited time for taking lessons, doing assignments and tests. Adding music and art to their curricula is going to cause more pressure.

why?

1、答题要领:

(1)specifically express your stand.

(2)ideally include 2 reasons for your preference.

2、观点提示:

(1) for all students

1) Nowadays, a college degree is very necessary in finding a good job. It is every student's right to receive higher education and find a good job.

2) It can narrow down the gap between the rich and the poor if everyone gets a chance to receive higher education. Because nowadays, only the rich can afford higher education and the poor will be more likely to drop off because they can't afford it.

(2) for certain students

1) Higher education is more about doing academic research. Not everyone belongs to the world of academics. Some students have other talents like singing, dancing and drawing. Therefore, there is no need for everyone to go to college.

2) Higher education is different from compulsory education. In college, we don't teach basic knowledge and survival skills. Therefore, it is not a basic right for everyone to go to college. Only those who are willing to and can do good enough should go to college.

Question:

Should the university education be free? Why?

1、答题要领:

(1) specifically express your stand.

(2) ideally include 2 reasons for your answer.

2、观点提示:

(1) should

1) It is everyone's basic right to receive higher education in this new era no matter whether rich or poor. College degrees are necessary for people to find a job, therefore university education should be free so that everyone has a chance to go there.

2) It can narrow down the gap between the rich and the poor. In the past, only rich people could afford to go to university, which was unfair to poor people.

(2) shouldn't

1) Universities do not teach people basic skills to survive, so it is not a basic right.

2) Making university education free will encourage all people to go to university. But not everyone is good in academic fields. This is a misguidance to people.
